CAN YOU FIND THE MUDERER?

A woman with dark hair, wearing a blue dress and a red belt, stands next to a large white notepad with a blue spiral binding. She is holding a red pen and pointing at the notepad. The notepad has the text "How to make a good presentation" in black and "Worktogether" in white on a red background. Below this text, it says "Here is where your presentation begins". To the right of the notepad is a small green plant in a blue pot. A speech bubble next to the woman says "Let's go!". The background is a light blue grid.
