# DELICIOUS SOUP

---

## · 溫體牛肉湯

# INTRODUCTION

## Tainan Beef Soup

- People in Tainan always have beef soup for breakfast, and the beef is really nutritious because it was killed hours or minutes ago, it's called 溫體牛 ( It's kind of meat that hasn't been **Frozen**, and most tourists like it. )
- People always wake up early and have breakfast. Most beef soups are made of a clear broth, carrots, green onions, ginger and beef, and occasionally a side of raw beef with a spicy sauce for dipping.

# NERITIC SQUID RICE NOODLES

---

小卷米粉

# INTRODUCE

## NERITIC SQUID RICE NOODLES 小卷米粉

- The founder of Neritic Squid Rice Noodles sold mullet rice noodles and saury rice noodles in the beginning.
- Mullet and saury rice noodles were seasonal and use neritic squid with rice noodles instead.

# Coffin bread 棺材板

# History

## Coffin bread

棺材板

Coffin bread has been sold at night markets in Tainan and Taipei since at least the 1940s. It became popular with US troops stationed in Taiwan.

## Descripti

Coffin bread starts as a thick toast style slab of white bread. The bread is hollowed out and either toasted or fried before it is filled with a creamy stew of chicken, seafood, tripe, or mushroom. It is then topped with a piece of toasted or fried bread, creating the "coffin" look.

# About sweet

flavor in Tainan.

1. Sugar is a quite popular product in Tainan.

2. In the past noble people treat their guests with sweet cuisine.

3. Tainan grows sugar cane in the past for economy purpose and now it becomes a habit for them.

4. 閩南 cuisine use sugar to enhance the flavor.

點了一杯無糖綠被民眾一路追打

這是五十嵐全糖嗎

是啊怎麼了

根本不會甜

快抓他去隔離

快打1922

等等  
我是台南人

兒子，我在你床底下發現無糖飲料

你現在有  
任何藉口來解釋嗎？
