Peanut candy

Kinmen's peanut candy is a famous dessert in Taiwan.

It is made of peanuts powder, black sesame, caster sugar, maltose and salt.

Early peanut candy is from Kinmen and Xiamen.

It has a history of more than 100 years.

From the earliest peanut flavors, many innovative flavors have been developed to cater to modern tastes.

Kinmen milk tea

This milk tea is different from others,
because there is Kinmen Kaoliang
(a kind of wine) in it, and it gives
the tea
a special taste.

Kinmen beef noodles

Kinmen beef noodle soup is special
Because the beef comes from
locally grown cattle.

There is also Kinmen Kaoliang in it,
It taste tender and delicious.

Kinmen Cantonese Congee

Congee is a kind of rice porridge.

It has a rich taste, and you can put many different ingredients in it.

It is nutritious, too.

Kinmen market

There are many vendors in Kinmen market, and most of them are old people selling their own vegetables.

The oysters are famous in Kinmen, and they are fresh and juicy.

There is also a lot of nutritious food!

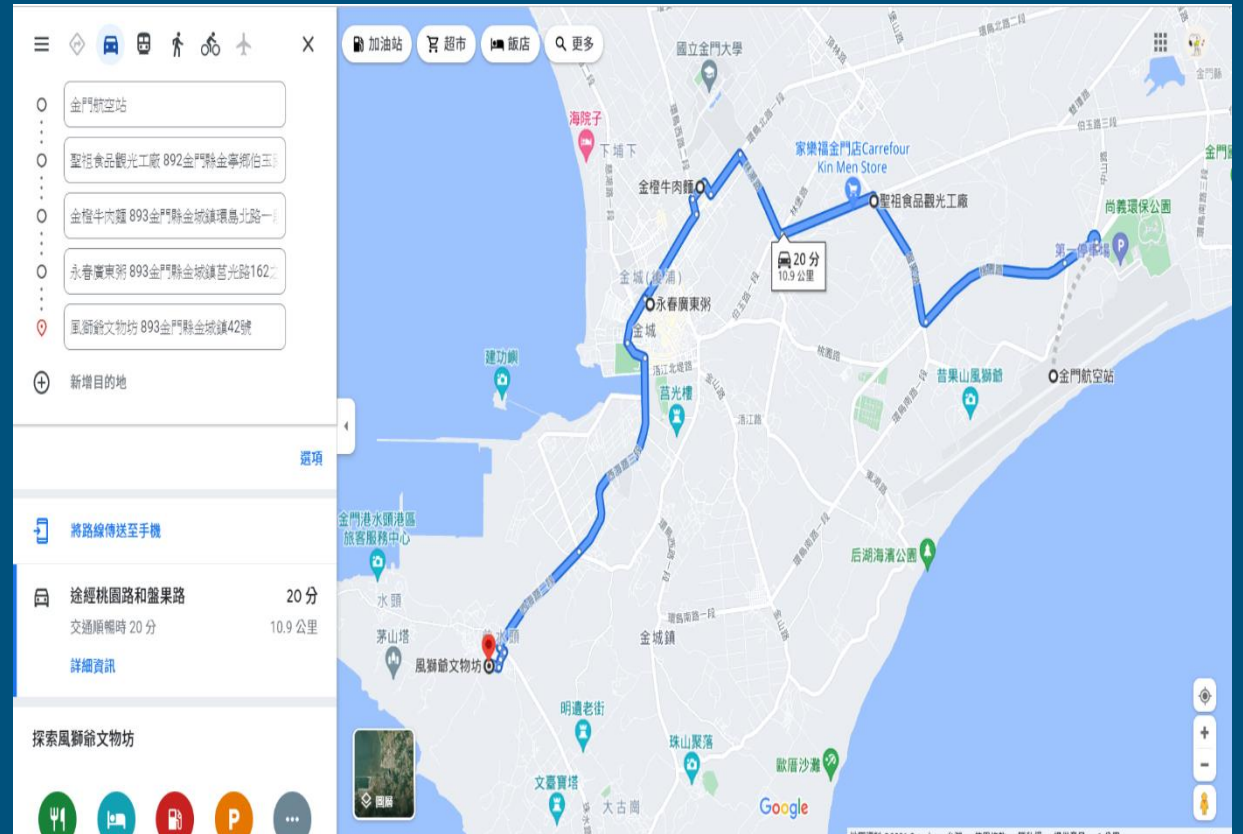

Accessibility

You can rent a car at airport .

Then, you can go to the restaurant quickly.

Also, you can take bus Blue 1 to these places, too.

The night market is along the road, and you can go there by foot.

Cost

The cost in Kinmen is actually as expensive as Taipei because Kinmen is a outlying island, so the shipping cost is high.

Ending

There are many nutritious foods in Kinmen,
and it is easy to get them, too.

Most people choose to buy ingredients themselves
and make meals, and the restaurants are usually healthy,
too.

So living in Kinmen your diet will be quite healthy
and don't need to worry about it.
